BRIEF INTRODUCTION FOR CXXC

Founded in 1984, China Xinxing Import and Export Co., Ltd. (CXXC) was affiliated to the General Logistics Department of People's Liberation Army (PLA). Having been approved by China's government and PLA, CXXC, a large state-owned military trade company, is engaging in the export of military supplies and logistics equipment. CXXC, with many production bases, is the largest supplier in producing military supplies and logistics equipment. Its main products include military uniforms and accessories, boots and shoes, webbings and equipment, bulletproof products, police products, vehicles, and field armaments.

CXXC has established business relationship with more than 100 countries in military supplies and logistics equipment. Its trading market mainly distributes in Africa, America and some countries in Europe and Asia.

CXXC always adheres to the business philosophy of credibility first, quality first and service first, to use first-class technology, first-class products, first-class service to offer customers products they need.

CXXC enjoys a good reputation in the world, being well-known for quality first, credibility focused and contract honored. CXXC sincerely hopes to join hands with customers around the world in the field of military supplies and logistics equipment.
